“It took Napoleon Hill nearly 25 years to write his legendary guidebook for individual success, ‘Think and Grow Rich.’ Judith E. Glaser and her Creating WE Institute colleagues – with over a *thousand* years of combined experience – have written today’s greatest guide for team success, and it will soon be read by all 6,200 Burberry employees worldwide.”

– **Angela Ahrendts, CEO**
Burberry Group PLC

Judith E. Glaser, best selling author and Editor of *42 Rules for Creating WE*, has collaborated with 18 of her fellow Institute members & co-founders to create a wealth of innovative ways for putting ‘WE-centric’ thinking into practice

in your organization and workplace **NOW!**

42 Rules for Creating WE spans an extraordinary range of value, from the latest neuroscientific findings to insights gleaned over thousands of engagements in business consulting, branding and beyond.
